OCTOBER 2025 LABOR FORCE SURVEY

HOUSEHOLD QUESTIONNAIRE

CONFIDENTIALITY:

Article 55 of RA 10625, states that "The information collected shall not be used for purposes of taxation, investigation or regulation."

Section 26 of RA 10625, stipulates that individual data furnished by a respondent to statistical inquiries, surveys, and censuses of the PSA shall be considered privileged information and such shall be inadmissible as evidence in any proceeding.

Likewise, ***Section 27 of RA No. 10625*** states that a person, including parties within the PSA Board and the PSA, who breach the confidentiality of information, whether by carelessness, improper behavior, behavior with malicious intent, and use of confidential information for profit shall be liable to a fine of five thousand pesos (PhP 5,000.00) to not more than ten thousand pesos (PhP 10,000.00) and or imprisonment of three months but not to exceed one year, subject to the degree of breach of information.

Dear Sir/Madam:

The Philippine Statistics Authority (PSA) is conducting the October 2025 Labor Force Survey (LFS) with rider questions on Tourism Employment and Kasambahay, and the Survey on Overseas Filipinos (SOF). These surveys aim to collect data on the population's demographic and socio-economic characteristics, employment in tourism, working conditions of domestic workers, and the profile and remittances of overseas Filipinos. The results of these surveys will serve as vital inputs for government planners, policymakers, and administrators in formulating social and economic development plans, policies, and programs.

The conduct of the October 2025 LFS is in accordance with Republic Act (RA) No. 10625 (Philippine Statistical Act of 2013), which authorizes the PSA to prepare and conduct periodic censuses on various sectors of economy.

Pursuant to Section 25 of RA 10625, the National Statistician identified the above statistical inquiry or survey to be conducted with obligation to provide information. Considering this, all respondents whether natural or legal persons shall be liable to reply to the statistical inquiry or survey. The respondents are also required to give truthful and complete answers to the said statistical inquiries or surveys of the PSA and other statistical offices of the Philippine Statistical System. We are requesting you to provide complete and truthful answers to all questions that will be asked by our survey interviewer.

Rest assured that the data you will furnish in the above-mentioned survey shall be treated with strict confidentiality and shall be considered PRIVILEGED COMMUNICATION, hence, inadmissible in evidence in any proceeding as provided for in Section 26 of RA 10625. The PSA also complies with the Data Privacy Act of 2012 and assures that all collected personal information are processed in accordance with the law and other issuances.

This survey/census was reviewed and cleared under the Statistical Survey Review and Clearance System (SSRCS) with clearance number _____ and expiration date _____.

In case you want to exercise your rights as a data subject, you may send an email to the PSA Data Protection Officer, Atty. Eliezer P. Ambatali, at dpo@psa.gov.ph.

We appreciate your utmost cooperation and support for the success of the October 2025 LFS. Thank you very much.

Very truly yours,

CLAIRE DENNIS S. MAPA, PhD
Undersecretary
National Statistician and Civil Registrar General

INTRODUCTION AND CONSENT

Hello. My name is _____. I am working with the Philippine Statistics Authority. We are conducting a survey about the demographic and socio-economic characteristics of the population. Your household is one of the 44,000 sample households randomly selected nationwide. The information gathered in this survey would assist our policymakers and program managers in formulating social and economic development plans, programs, designing strategies for improving services, and evaluating assistance to alleviate poverty, and policy decision making. All personnel involved in this survey are required to keep in strict confidence any information obtained during the interview that pertains to any particular household or individual. Likewise, the data gathered will be released only in the form of statistical summaries in which no reference to any person shall appear. We hope you will agree to answer the questions since your views are important.

In case you need more information about the survey, you may contact the Philippine Statistics Authority Provincial Statistical Officer *(please provide the contact number of the Provincial Statistics Office)* in your province or the Philippine Statistics Authority Central Office at telephone number (632) 8376 2092.

Do you have any questions?
